PROFILE

Burçin Yıldırım Develioğlu is a graduate of Uskudar American Academy and Galatasaray University. Following her graduate studies, she finished her LL.M in London School of Economics with distinction, after submitting her thesis on Arbitration of Intra-Corporate Disputes. She also completed her master's degrees in Galatasaray University on arbitration of intra-corporate disputes. She was awarded prestigious scholarships for these graduate studies from Jean Monnet Scholarship Programme of the European Union and Scientific and Technological Research Council of Turkey, respectively. Ever since, she has been practicing dispute resolution, in particular corporate litigation and arbitration, representing many leading corporations. She is currently advising her clients regarding any legal questions about their investments, especially related to corporate law and dispute resolutions. Also a PhD candidate in Fribourg University, studying on "Party Autonomy and Applicable Law in International Arbitration". She is member to the London Court of International Arbitration Young International Arbitration Group and the International Chamber of Commerce Young Arbitrator Forum.
